# Experience with Qualification in Business Administration and Management within the Scope of Technician Training

Ginta Česevičienė, Panevėžys CCIC

2019-10-18

# Panevėžys Chamber of Commerce, Industry and Crafts

- *Non-governmental entrepreneurial organization established in 1991 and operating in the north-eastern region of Lithuania*
- *Voluntary membership. Members - companies from different business sectors and educational institutions*

# Testing part of Technician Training Curriculum

## Interdisciplinary

Business Administration and Management - 350 hours

5 main modules:

- Determining corporate competitiveness
- Preparing, completing and evaluating business foundation and takeover activities
- Developing corporate management strategies
- Basic computer skills, bookkeeping using commercial software
- Innovation management

# Target group

22 last-year students of Panevėžys Vocational Training Centre

Age: 17-24

Different study fields: construction, computer science, mechatronics, etc.

82 % male

# When and how

- January - May 2019
- Lecturers from Panevėžys College and the Chamber
- 97% lectures + several visits to local companies
- Local entrepreneurs invited to give lectures and share their experience

# Evaluation by participants

- Usefulness and satisfaction of the training  
4,62 (helpful material, relevant topics) - 4,07 (skills acquired can be useful in daily work)
- Teachers and organisation of the training  
4,67 (overall atmosphere, lecturers) - 4,29 (duration of training)

# Evaluation by teachers

- Trainees' engagement and organization of training:  
5,0 (trainees' participation, overall atmosphere, organization) -  
3,5 (training is possible to implement in our country)
- Trainees' readiness for independent work:  
4,25 (skills acquired can be useful to daily work, training improves  
trainees' personal development and job situation) -  
3,5 (training is possible to implement in our country)

# General evaluation

- The curriculum is very thorough, covers all aspects of business administration and management
- A challenge to keep students motivated (different interests, long duration)
- Would be more useful if done in separate smaller modules as individual 3-4 day trainings
- Possible to use the shortened version of the training for companies and their employees in the future

Thank you 😊
